

Ca'Neva

JOLLY 0,0% ALCOHOL FREE

Grapes: Muscaris, Johanniter

Non-alcoholic beverage made from PIWI grape varieties-varieties resistant to fungal diseases and cultivated using sustainable methods. It is created through a minimal-intervention process to preserve the purity and authenticity of the product. It is designed as an alternative for those who choose not to consume alcohol but still wish to celebrate special moments without compromising on taste.

Colour: clear, brilliant straw yellow.

Bouquet: on the nose, it releases an intense and straightforward aroma, characteristically aromatic of grape must, with fruity notes of melon, hints of mint and verbena, and a delicate finish of quince.

Taste: on the palate, it is sweet, harmonious, and well-balanced, supported by a lively acidity.

Pairings: ideal at any time of the day. It is an excellent ingredient for preparing cocktails and can also accompany an entire meal, from aperitif to dessert. It pairs beautifully with cheeses, especially fresh varieties, thanks to its freshness and liveliness.

Serving temperature: 6 - 8 °C.
